Background

- Research training in a mentored and collaborative environment
- Emphasis on training in basic/clinical research
- Encourages the development of critical thinking skills
- No prior affiliation required to participate
- Travel stipend for the trip
- Multiple programs available to residents and fellows

Purpose/Relevance

- Multiple postgraduate residency and fellowship programs represented
- 7 teaching hospitals in the city
- Many community-based programs lack formal research training

Background

- Phoenix Children’s Hospital
- Phoenix Baptist Hospital
- Scottsdale Healthcare
- Banner Good Samaritan Medical Center
- Mayo Clinic Arizona

Institutions

- Awards ceremony
- Selection and notification of poster and/or oral presentations
- Abstract collection and review
- Announcements to city wide GME programs

Purpose/Relevance

- AZMEC (Arizona Medical Education Consortium)
- Emergency Medicine
- Pediatrics
- Radiology
- Transitional
- Dermatology
- Family Practice
- Neurology
- Internal Medicine
- Surgery
- Research Associates
- Nurses
- Residents
- Fellows

Participants

- Origins
- Sponsors

Format of the Competition

- Oral Presentation
- Poster Presentation
- Oral study
- Poster study
- Oral case
- Poster case

Judges

- Oral Presentation judges are experienced in research
- Oral study judges are experienced in research
- Poster study judges are experienced in research
- Poster case judges are experienced in research

Oral Presentation Judging Criteria

- Clarity
- Originality
- Relevance
- Methodology
- Design/Graphics

Judging Criteria

- Literature Review
- Interpretation
- Organization
- Clarity
- Delivery

Poster Presentations

- Oral Presentations
- Poster Presentations
- Oral studies
- Poster studies
- Oral cases
- Poster cases

Oral Presentation

- Florida Public Institutions
- Resident/Intern
- Oral or Poster

Poster Presentations

- Design/Completeness
- Originality
- Relevance
- Methodology
- Organization

Participant Goals

- Promotion to nurses, physician assistants, and allied health professionals
- Expansion to all programs in Arizona

What the future holds...

- Encourage evidence-based research
- Evaluate program and outcomes
- Encourage formal journal article submissions
- Continue mentorship of young investigators following the program

Key Points

- Grant opportunities for young investigators following the program
- Scholarships available
- Funding programs for residents
- Funding for research not in career

What the future holds...

- Increased opportunities for young investigators following the program
- Scholarships available
- Funding programs for residents
- Funding for research not in career
